Apologies AD, JO, AM, RH, TB.

- 1 Minutes from meeting held on 13 March were read.
- 2 Minutes approved by IE and seconded by HB.
- 3 Matters arising
 - a) The CQC Inspection Report of MH Hadfield has been received and the surgery has been graded Outstanding. Information about this will be put on Facebook. LD congratulated all who had made this possible.
 - b) The leaflets about out-of-hours appointments in Glossop make no mention of George Street Clinic. Information about the clinic and appointment times will be put on Facebook and in the Spring Newsletter.
 - c) LA has been unable to meet with Sophie Glinker re information for TV Loop System.
 - d) The Bureau has now moved to Bank House, Henry Street, Glossop.
- 4 Treasurer's Report

Balance remains the same at £49.14p.
- 5 Partners' Report
 - a) LD asked if a leaflet / poster could be produced with an explanation of payment for Private Medical Appointments and / or Certificates.
ACTION LD will send information to JA who will produce a leaflet for LD to approve.
 - b) Thursday training for staff is getting nearer now. PPG will be kept informed.
 - c) Some telephone calls will now be recorded for training purposes.
- 6 Update on NAPP CONFERENCE and Awareness WEEK

LA thanked the Surgery for their offer to fund two members to attend the Conference. Unfortunately, this could not be taken up. One member was willing to attend but has no transport and Nottingham is difficult to get to by public transport for the early start time.

The Neighbourhood PPG are to put a news item in the Glossop Chronicle about PPG Awareness Week. IE has written to "North West Tonight" in the hope that this could be highlighted on their programme.
- 7 Newsletter

JA handed out the final version of the Spring Newsletter for approval before publication. It is packed with information and helpful comments eg Parking at Glossop. LA thanked JA for all the work he has done producing the newsletters.
- 8 NPPG
 - a) IE updated the meeting on the Glossopdale Health Event in May - there will also be another event held on a Saturday in October
 - b) Smithy Surgery has now been taken over by "Go To Doc" as there are only three

part-time doctors there.

c) Lambgates send reminder letters to their patients re the NHS Bowel Cancer Screening Tests. LD explained that MHS also send out Bowel Cancer reminder letters.

d) At this morning's meeting a non-executive from the Trust Board gave an update. Julie Worthington from Integrated Care, spoke about the plans in the pipeline and the eight beds designated for the Glossop Community. There may be a possibility of four beds being available at "Regency" in Hadfield.

The meeting continued with Dr Richard Fitton speaking about "Ageing and Exercise", the notes for which are attached.

[Post Meeting At the time of sending these Minutes the notes from Dr Fitton have not been received](#)

The Meeting ended at 3.05pm
