

## CONSTITUTION AND TERMS OF REFERENCE.

### **Title of the Group.**

The group shall be called  
THE PATIENT PARTICIPATION GROUP (PPG) of the MANOR HOUSE SURGERIES GLOSSOP AND  
HADFIELD (MHS) Derbyshire.

It is affiliated to the NATIONAL ASSOCIATION FOR PATIENT PARTICIPATION (NAPP).

The Mission and Vision Statements from NAPP are copied below:-

### **Mission**

We believe that every person in the United Kingdom has the right to shape the future of their care. Established in 1978, our passionate, volunteer-led organisation is the go-to voice of patients in primary care. We facilitate and foster patient participation, ensuring the patients' interests, perspectives and priorities are at the heart of local, regional and national decision making. with an effective Patient Participation Group which impacts the development of primary care policy, so that the quality of services and health outcomes continuously improve

### **Vision**

To see every general practice in the United Kingdom affiliated with an effective Patient Participation Group which impacts the development of primary care policy, so that the quality of services and health outcomes continuously improve.

<https://napp.org.uk>

### **Aims of the Group.**

The aim of the PPG is to promote co-operation between the Practice and the Patients to the benefit of both. (A critical friend)

## **MEMBERSHIP**

Membership is open to all patients of Manor House Surgeries Glossop and Hadfield.

### **The Committee:**

Co – Chair-----Irene Easteal

Co - Chair----- John Apthomas

Secretary-----Valerie Mohan

Treasurer-----John Apthomas

Minute Secretary--Sara Shaw

Newsletter Co-ordinator-----John Apthomas

In addition to the above elected officers there are members, a doctor, and a member of staff from Administration in attendance.

### **Meetings of the Group.**

The business of the Group will be carried out at a formal meeting of the committee.

Formal meetings take place at 1pm on every second Tuesday January, March, May, July, September and November, (Face to Face Meetings temporary suspended due to Covid-19) alternating between Glossop and Hadfield. Meetings at surgery site will resume when safe to do so. Currently meetings are being conducted by Microsoft Teams, A doctor and a member of the Administration staff are in attendance at formal meetings. In addition Receptionists may attend the meetings, when time and duties allow. The Reception Supervisor will attend the meeting when issues raised need addressing by the Reception Supervisor . Notice of meetings to be held are advertised on noticeboards, on televisions in waiting rooms and on the Practice website. The AGM will take place prior to the formal meeting in September each year

There will also be an informal meeting to enable further discussion within the group.

Informal meetings are held on the last Monday of every month at Hadfield at 2.30pm. (These meetings are not minuted but notes may be taken) except for Bank Holidays. 2022 Informal meetings are conducted on Microsoft Teams Tuesdays on alternate months – February, April, June, August, October, December, and will resume Face to Face when safe to do so

## **CODE OF CONDUCT**

All opinions will be respected.

Discrimination will not be tolerated.

All matters will be treated as confidential until the minutes of meetings are approved and published on the Website

Formal meetings will be held in a purposeful, professional and timely manner.

Agendas will be circulated prior to meetings to give members an opportunity to suggest additional items. Agenda items may also be discussed at informal meetings.

If any member wishes to raise items under Any Other Business he or she must declare them before the formal meeting begins and these will be tabled at the Chair's discretion, or referred to at the next informal meeting.

All individual concerns, and also those raised on behalf of another patient, will be discussed at the informal meetings. A decision will be taken by all present as to whether these concerns need to be placed on the agenda of the next informal meeting. In this event we will focus discussion on specific comments and relevant events and not on individual personnel.

Forms collected from Suggestion boxes by a PPG member will be discussed as and when they arise. After seeking advice from surgery staff the Chairperson will respond by letter if an address is given. Otherwise suggestions/comments will be dealt within the Newsletter.

## **THE CONSTITUTION**

The specific purposes of the group will be encapsulated in the terms of reference

The nominated officers will serve for a term of two years. A degree of flexibility may be used in the absence of other members wishing to take on these roles.

The PPG will facilitate discussion with Practice staff and offer alternative perspectives, input and feedback on decisions made by them.

The PPG will help develop provision of resources and services.

The PPG will strive to improve communication with and support for patients.

## TERMS OF REFERENCE

The PPG will:

**SUPPORT.** The PPG will support patients and staff and act as a critical friend to the Practice. We will share positive comments and concerns. In response to requests from staff we will compose letters that the surgery send to patients on specific matters.

**LISTEN.** We will listen to patients when they talk to us, and we will analyse and collate their comments from the surveys and from the suggestion boxes which are in waiting rooms. We listen to staff and help where there are concerns. We listen to members of the wider community by inviting them to address our meetings (CCG, voluntary organisations, paramedics etc).

**ACT.** We will act on our findings and help initiate developments, changes, improvements etc.

**COMMUNICATE.** We tell patients about survey results and inform them as to what changes may be made in response by the staff at both surgeries. How can this be carried out We will inform patients about health issues in our Newsletters and in the same way we pass on information from the staff to the patients. What other ways can this be done.

**INVOLVE.** The PPG involve patients by providing health information when the need arises . Patients are welcome to come to our meetings and we try and increase membership wherever possible.

**INTERACT.** We interact with outside agencies. A member of the PPG regularly attends the Glossopdale Neighbourhood Group (GNG). We also liaise with, The Bureau and other Volunteer Groups / Organisations.

**EVALUATE.** We evaluate our work on a yearly basis and progress is summarised in the Chair's Annual Report. We review our Constitution and Terms of Reference on a regular basis.

**COMMIT.** The PPG makes a commitment to respect Practice and patient confidentiality at all times.
